Subject: Northern Region revised sensitive species list

To: Forest and Grasslands Supervisors

Listed below is the WWFRP web link to the updated sensitive species lists for wildlife, fish and plants for the Northern Region. A summary of the additions, deletions and changes, made since the last revision in 1999, is provided in the website. Please note that the sensitive plant list has been organized by state with separate listings in each case.

These lists and supportive documentation can be found at:

http://fsweb.r1.fs.fed.us/wildlife/wwfrp/tes/SSP_ofConcern.htm

These updates have been coordinated with the Forests and Grasslands over the past three years. Thanks to all of you and your staff that have provided information and feedback for this updated list.

Questions regarding the lists should be directed to the following Regional Office staff:

Wildlife - Tim Bertram at (406) 329-3611

Fish - Kate Walker at (406) 329-3287

Plants - Steve Shelly at (406) 329-3041.
